Sir,

With reference to your Official Memorandum No. 862 Judl. 404-12-2, dated 24th January 1913, forwarding for report petition presented to His Highness the Maharaja in person, during his recent provincial tour, by Lakkegowda and others of Hoovinhalli Kaval in the Hassan Taluk, praying for the Construction of a temple and a well at the place, I have the honor to State as follows:-

2. On a reference to the report together with the records received from the Amildar of Hassan Taluk, it is gathered that two villages have Sprung up in the Hoovinahalli Kaval that there are at present 10 houses in each of those villages. Villagers have sunk a well, at a distance from the village. They take water

water from this well for drinking and other purposes. It is stated that there is difficulty for sufficient water. The question of providing a well to this village from District Funds is under consideration of the District Board.

3. It is reported that the villagers plead their inability to contribute anything towards the cost of construction of a temple in the village The Amildar has suggested that in case the inhabitants themselves construct a temple, the question of endowing the same with Inam lands can then be considered. As the suggestion of the Amildar is reasonable, he will be instructed to issue an endorsement to that effect to the petitioners.

I have the honor to be,
Sir,
Your most obedient Servant.
